Here's Background on E.B.M.U.D. Zoning Issue

By POLITICUS

Orindans have been made keenly aware of the problem of planning for Orinda's future growth, particularly as such planning relates to the land here which is owned by the East Bay Municipal Utility District and which E. B. M. U. D. is planning to sell, by the recent activities of the Orinda Association.

Last week's announcement by Louis J. Breuner of the E. B. M. U. D. board that "at the present time there is no intention or desire by the board to seek rezoning" of the pine grove area at the Crossroads climaxed weeks of effort by the Orinda Association, its Civic Affairs Committee and a special four-man committee of Civic Affairs.

THIS SPECIAL COMMITTEE, named by Civic Affairs Chairman Zach Montgomery, met with E. B. M. U. D. officials, reported on developments in connection with E. B. M. U. D. preparations to offer its land for sale and in general sharpened the community's appreciation of the Crossroads as "Orinda's front door."

The committee brought to a head the fears, suspicions and rumors that rezoning-before-sale of the pine grove area was contemplated by the utility district, affected a harmonious relationship with E. B. M. U. D. and helped in the taking of a big step toward solution of the problem.

Observers point out that although, as Breuner said, the E. B. M. U. D. board had not authorized a petition for rezoning, Breuner's statement that the board had "talked about it" showed pretty clearly what was in the wind.

AND THE WIND FANNED the sparks that flew. Like good firefighters, the special Civic Affairs group controlled the sparks and prevented them from spreading into a conflagration.

But the breeze was rather vigorous, as attested to by the fact that Phil Wagner, E. B. M. U. D. land agent, had shown to the four-man committee maps including plans for a 30-acre business and multiple dwelling section at the pine grove area, and had informed the entire Civic Affairs Committee that the utility district hoped to have that land rezoned.

NOW THAT THE "FIRE" is apparently out, at least for the time being, some humorous sidelights are recalled.

For instance, after the newspaper reports about what was going on started appearing, efforts were made to get the press to "tone down" its articles.

And it was no secret that some E. B. M. U. D. officials were figuratively tearing their hair over reports of a strongly worded resolution by the Orinda Association's Board of Directors opposing business rezoning of the pine grove land at this time.

But the newspaper articles were accurate. What was reported had happened. Actions and statements at public meetings had been truthfully chronicled.

While, in the present atmosphere of harmony, orchids are being tossed about, it is the definite feeling of Politicus that a few should be aimed in the direction of the Orinda Division of the Contra Costa Real Estate Board, and also the Orinda Chamber of Commerce.

THE LOCAL REALTORS first brought the matter to public attention by their apprehension over rumors of multiple-dwelling subdivision plans for the pine grove land.

The chamber threw its weight into the struggle, and, at a recent special session of its directors, opposed any pine grove rezoning at present but suggested that study be made of the possible need for an additional retail business area in Orinda.

ORINDA SUN

Vol. IX, No. 20 — Lafayette — Orinda, California — Friday, August 3, 1951 — Ten Cents

EIGHTY GIRL SCOUTS from the seven communities served by the Diablo Valley Area Girl Scout Council returned last week from the first session at the council's camp, Sierra Woodlands. From the expressions of these girls pictured shortly after they stepped off the bus, you can see that they had a good time. Photo at left shows four of the Girl Scouts looking for their packs and suitcases. Left to right, they are Jane Seulberger, Linda Rafael, Patty Alford and Natalie Pray. The group at right is looking over a map depicting the route they have just traveled from camp. These girls, left to right, are: Front row — Sara Tolles and Patsy Dailey; back row (standing) — Ann Clayton, Elizabeth Rogers, Jane Cook and Diane Ferguson.

County Tax Rate Cut 2c

After 18 consecutive budget sessions ,the Board of Supervisors on Tuesday announced a tentative two-cent cut in the county basic tax rate for this fiscal year.

The board tentatively decided upon a 1951-52 county tax rate of $2.46 per $100 assessed valuation, as against $2.481 for 1950-51, according to Chairman Jack Cummings.

CUMMINGS STATED THAT the county did not yet know what the public utilities assessment will be, but that the proposed cut is being planned on basis of last year's $51,000,000 figure. County Assessor Justin Randall had pointed out that the public utilities tax roll had not yet been received from the State Board of Equalization.

"The reduction is proposed," Cummings said, "in spite of $975,000 being budgeted for capital outlays—$700,000 for building expansion at the County Hospital and $275,000 for adding a fourth floor to the Hall of Records, both at Martinez.

"In addition, $160,000 has been allocated for anticipated increased hospital costs. The budget also reflects sharply rising highway expenditures, due to a 50 per cent increase in construction and maintenance costs during the last 15 years."

PUBLIC HEARINGS on the preliminary budget will start August 20, County Auditor D. M. Teeter stated.

Copies of the published budget will be available to the public August 10.

On or before September 1, the county budget must be set by formal resolution.

For the county tax rate inside the city of Richmond, the Board of Supervisors has proposed a four-cent reduction — from last year's $2.401 per $100 assessed valuation down to $2.36.

Reason the county tax rate is lower in Richmond is that Richmond residents have their own library system and do not contribute to support of the county library program.

DR. C. EDWARD RUTLEDGE
. . . addresses Orinda Rotarians

District Head Tells of Rotary Effort for Peace

Rotary Clubs in 83 countries throughout the world are united in an endeavor to promote international understanding, good will and peace.

That was the message of Dr. C. Edward Rutledge of Richmond, governor of District 157 of Rotary International, in addressing the Rotary Club of Orinda Wednesday, following a conference with local Rotary officers, directors and committee chairmen.

IN ADDITION TO the activities of Rotary's 7,300 clubs in their own communities to promote this objective, Dr. Rutledge explained, over a six-year period Rotary International is spending $1,500,000, principally to create better understanding among the peoples of different nations.

One of the ways in which this money is spent is on Rotary Foundation Fellowships, which enable outstanding graduate students to study for one year in countries other than their own, as ambassadors of good will.

SINCE THIS PROGRAM was established in 1947, 284 Fellowships have been awarded to students in 42 countries, with grants totaling more than $700,000.

"Devoted to service, Rotary provides common ground for 350,000 business and professional executives throughout the world, regardless of nationality or political or religious belief," the Rotary district governor emphasized.

$80,092 Proposed Orinda Fire Budget Gets Approval of Board of Supervisors

Tentatively approved by the County Board of Supervisors Monday was an $80,092 budget for the Orinda Fire Protection District for the 1951-52 fiscal year.

The proposed budget was recommended by the Orinda Fire Board, and was agreed upon by the local fire commissioners at their budget meeting July 26 at the fire house.

PROPOSED TAX RATE set by the supervisors for the fire district is $1.103 per $100 assessed valuation, according to County Auditor D. M. Teeter, plus 2.4 cents as the bond interest rate on bonds from the issue voted last November. The new fire house is being built and equipped from funds realized through the sale of the bonds.

Last year's district budget totaled $55,988, Teeter said. The tax rate for 1950-51 was 89.4 cents per $100 assessed valuation.

CLARENCE BETZ, financial adviser to the Orinda Fire Board, explained that the principal reason for the increased budget is the increase in personnel for 1951-52, necessary for manning the new fire house. Eight new full-time firemen were added to the force July 1.

Of the $80,092 proposed budget, $61,722 is earmarked for wages and salaries, Betz said. For maintenance and operation, $17,370 is allocated, while $1,000 is for capital outlay.

Capital outlay expenditures will include any necessary improvements to No. 1 fire station, Betz stated.

ACCORDING TO TEETER, assessed valuation of the Orinda Fire District is now estimated at $7,367,945.

Present at the July 26 budget meeting of the Orinda Fire Board were all the commissioners — President Warren Harrold, Gilbert Earle, Harry Oakley, Bert Dawson and Zach Montgomery; Paul Meyer, legal adviser; Betz and Fire Chief E. H. Wyatt.

Public hearings on the proposed Orinda Fire District budget, as well as on the tentative budgets for various other special districts in the county and on the general county budget, will get under way before the Board of Supervisors August 20.

Orindans Give 75 Pints of Blood

Some 75 pints of blood were donated by Orindans when the Bloodmobile Unit, arranged for by the Mt. Diablo Chapter of the American Red Cross, was stationed at Orinda Grammar School July 26.

Mrs. Arthur Wagstaff, blood program chairman for the Mt. Diablo Chapter, stated this week that the official report had not yet been received from the Stockton blood center but that about 75 pints were given during the Bloodmobile's 1-to-6:30 p. m. visit that day.

No. 2 Fire House Expected Ready By Next Friday

Belief that Orinda's No. 2 fire house will be completed and ready for occupancy by next Friday, August 10, was expressed today by J. W. Hancock, owner of the Hancock Construction Company of Lafayette, which is erecting the structure.

"All that remains to be done," he said, "are the driveways, a little finish, hardware and installation of heating units."

INTERIOR PAINTING, installation of lighting and plumbing fixtures and laying of asphalt tile were performed recently.

"I really believe that by August 10 we'll have it completed and will be able to turn it over to the Orinda Fire District," Hancock stated. "If not, it should be ready by August 15 at the latest."

Fire Chief H. E. Wyatt said that if the new station is completed by next Friday, it will probably be occupied over that weekend.

CONSTRUCTION OF the $24,825 station at Orchard Road and Moraga Highway was started in late March, about 10 days after the contract was signed March 16.

Assistant Fire Chief Al Winsor will be in charge of the new station. He will have two full-time men on duty during both shifts, in addition to himself.

Two new pumper fire trucks are being constructed for the No. 2 station by Coast Manufacturers of Concord. Delivery of these trucks is expected in mid-September, the chief said.

PENDING DELIVERY of the new trucks, two of the four trucks now at the present station will be housed in the No. 2 Station. These will be returned to the main station when the new trucks are delivered, according to Wyatt.

At the No. 1 fire station, Chief Wyatt will direct a six-man day crew and a four-man night force.

Four trucks, a fire rig pickup and the chief's car will be the regular equipment at the main station.

Brown Orders 2-Year Delay

State Attorney General Edmund G. Brown on Wednesday ordered a two-year postponement in the effective date for the new public utilities assessment legislation, according to County Auditor D. M. Teeter.

The legislation, signed by Governor Warren July 16, would allow the State Board of Equalization to set the assessed valuation of public utilities properties at a rate for each county, instead of uniformly in all counties, as has been the practice.

County Assessor Justin Randall has estimated that this might mean a loss of some $8,000,000 to the Contra Costa tax base.

When Crawshaw Boys Get Bigger Their Room Will 'Grow' with Them

What happens to children's rooms? Sunset Magazine's August issue has picked a room in the home of Mr. and Mrs. Fred Crawshaw, 2 La Vuelta, to demonstrate future possibilities.

The Crawshaw's two young sons are pictured in what is now "their room," which was planned with asphalt tile floors for long wear, walls and cabinets of birch which are to be finished when the youngsters are older, and a full wall of closets and drawers, besides another high, deep storage space in a second wall.

A Dutch door to the living, kitchen area and ceiling to floor windows and glass doors opening onto a lawn give the room plenty of light and views of the rest of the house and outdoors.

Arranged to keep its usefulness through the boys' growing years, the room can be converted on short notice if their parents require the extra space for entertaining, Sunset points out.

Sunset tells how the Crawshaws have already made use of this feature by removing the boys' belongings and furniture, and moving a radio - phonograph in for guests who wished to dance, while others sat and talked in the living room.

Even the showers in the adjoining bathroom were considered in keeping pace with the boys' growth. Two shower heads, one higher on the wall for adults, the other "junior" height, and a raised threshold and shower floor fitted with a drain plug to accommodate small boys' baths, are features.

Architects were Anderson and Simonds.

Is Your Address on Mail Box Door?

In line with the policy of improving postal service wherever possible, the assistant postmaster and the mail carriers at the Orinda post office are sponsoring a drive to make every mail box in the area conform to postal regulations and to be numbered with the patron's street number on the door of the mail box.

A letter of explanation has been delivered to each resident receiving mail out of the Orinda office. Corrections needed in the height or placement of a box were noted.

OTHER ITEMS, such as trimming back surrounding shrubbery to protect the new mail delivery cars from being scratched, could be checked.

It is desirable but not required of patrons that the name and address be printed on the side of each mail box.

MAIN PURPOSE of the drive is to get the cooperation of Orinda residents in putting their street number on the door of the box. This method of uniform numbering will greatly facilitate the delivery of mail on the days the substitute carriers are on duty.

Postmaster Laura G. Mallary says it is hoped to get 100 per cent compliance with this request to number the mail boxes in Orinda.

New Construction Continues Here

Construction of four residences nd garages, a barbecue house, a carport and a residence alteration were included on building permits issued in Orinda area the week ending July 27.

Permits granted were:

Owner E. J. Turk, Orinda Theater, Orinda, Lot 51 Crest View Drive and Valley View Drive, Moraga Woodlands; Builder J. Lee Center, Orinda; estimated cost $8,968.

Owner Russell R. Buell, Lot 71 Crest View Drive, Moraga Woodlands No. 2; Builder Ver-Mehr Smith Company, Berkeley; estimated cost $8596.

Owner D. R. Marsing, Lot 252, No. 58 Sleepy Hollow Lane, Sleepy Hollow Estates; estimated cost $11,358.

Owner and Builder W. J. Pollock, Orinda, Lot 35 Parkland Drive, Moraga Gardens No. 1; estimated cost $8562.

The barbecue house will be located on Lot 113, No. 28 Estates Drive, Moraga Estates, with granting of a permit to Owner-Builder W. Vaughn.

Owner Clarence W. Brown, 10 Abbott Court, Orinda, was issued the o. k. for construction of a carport at Lot 22, Abbott Court and Moraga Via, cost estimated at $220.

The permit for residence alteration was given Owner Tuttle, 35 Charles Hill Road and Charles Hill Circle, Monte Vista Tract. Builder was listed as E. L. Leonard, Richmond, and cost estimate was set at $612.

Varied Musical Program Planned For Sept. 14th

The Orinda Clippers and Shipmates are sponsoring a musicale on September 14 at the home of the Joe Longs in Sleepy Hollow.

Tickets will go on sale August 15. Ticket reservations may be made with any Clipper or Shipmate or by phoning the Emory Davises, Orinda 8287, or the Art Henrys, Orinda 2852.

The program will consist of musical numbers by the Orinda Symphony Orchestra, directed by Dan Popovich, and by a string quartet. There will be flute selections by Tom Hageman of Lafayette and a group of vocal solos by Margaret Popovich, which will include numbers by De Bussy, De Falla sung in French, and a selection composed by Greig with flute obbligato.

Popovich will play several piano selections from Bach and Chopin.

Another treat in store for Orindans, sometime in December, will be the presentation of Hansel and Gretel.

The story will be acted by children in pantomine, under the direction of Elizabeth Miles. The Senior Choir, under the direction of Margaret Popovich, will furnish the vocal numbers. The symphony accompaniment will be directed by Dan Popovich.

Sugdens in Arlington; He's on Naval Duty

On duty with the U. S. Naval Intelligence at Washington, D. C., is Lieutenant-Commander Greer Sugden. He and Mrs. Sugden, who are former Orindans, are making their home in Arlington.

Word has been received that Mrs. Sugden has just returned to her Arlington home after a visit to New York, where she saw her mother, Mrs. Richard Kleburg, off for Europe aboard one of the Swedish liners. Mrs. Sugden was in New York for a week.

Jubilees Observed by Two Christian Brothers

Brother Vincentius Leo and Brother Victor Josephus, two venerable Christian Brothers at St. Mary's College, known and revered by hundreds of their former high school and college students throughout the nation, observed jubilees last month as Brothers of the Christian Schools.

His 70th year as a Christian Brother was celebrated quietly July 16 by 84-year-old Brother Leo, emeritus St. Mary's professor of science. Brother Josephus, 67, observed his golden anniversary in the robes of a disciple of St. John Baptist de la Salle uly 25.

Don't Shove — Plenty of Room at Budget Hearing

Orinda Union School District trustees and Superintendent Joseph L. Sheaff are hoping that there will be a good turnout at the district's budget hearing Monday night at Orinda Grammar School.

At least, they hope the "crowd" will be larger that at last year's budget hearing, when a SUN photographer was reported as the only person present in addition to school authorities — or two years ago, when one lone observer was believed to be on hand.

To be acted upon Monday night is the proposed 1951-52 budget of $274,465.

Tax rate of $1.50 per $100 assessed valuation — the legal limit — is being recommended by the board, to be set by the county auditor and passed by the Board of Supervisors. Last year's rate was $1.19.

Acalanes Board OK's $736,700 Budget, Awards Contracts on Road, Paving Jobs

Acalanes Union High School District trustees approved a budget of $736,700 for the 1951-52 fiscal year Wednesday night.

Tax rate, according to Superintendent of Schools Neil M. Parsons, is expected to be over $1.30 per $100 assessed valuation.

Last year's budget was $677,205, with a tax rate of $1.20.

Only member of the general public present at the budget hearing was President W. B. Scarborough of the Lafayette Improvement Association.

In answer to questions by Scarborough, trustees stated that an approximate 10 per cent increase in enrollment is expected next school year; also, an approximate 10 per cent increase in operating expenses.

The budget now goes to the county superintendent of schools' office for final O. K. by it and the Board of Supervisors.

SUM OF $443,900 is listed for operation of the Acalanes and Las Lomas high school plants. For capital outlay, $226,000 is earmarked.

The budget hearing was part of the regular monthly meeting of the high school district board. In addition to acting on the budget, the board opened bids for construction of a road at Las Lomas and for paving of a parking area at Acalanes.

CLEVERDON COMPANY, Inc., of Lafayette was the only bidder for the road job, and was awarded the contract on his bid of $1,150. The job will be the building of a road across the Southern Pacific tracks to the east of Las Lomas grounds. A 50-foot S. P. right-of-way adjoins the school property.

Cleverdon was also awarded the contract for the Acalanes paving job, on his low bid of $3,090. Other bidders were G. Ferrabee Company, Berkeley, $4,696, and O. C. Jones and Sons, Walnut Creek, $4,988.

Present at the meeting were Board President William B. Freeman, Clerk M. H. Stanley, Trustees J. F. Chaddock and Carl Newbury, District Superintendent Parsons and Administrative Assistant Ross Reagan. Trustee Ralph C. Hall was away on vacation.

Car Rolls Over; Driver Bruised, His Dog Unhurt

Although his car, after swerving onto the dirt section alongside the highway, rolled over, Dick Kilgore, owner of the Contra Costa Patrol, emerged with apparently minor bruises the night of July 25, at Mt. Diablo Boulevard and Moraga Road.

Kilgore's Belgian Shepherd dog, Mike, also in the car, was unhurt.

The accident occurred about 9:30 p. m. Kilgore was traveling west on Mt. Diablo Boulevard when, near the traffic signals, the auto swerved onto the dirt, started spinning and then rolled over.

According to the California Highway Patrol, Kilgore's car struck the rear of one driven by Rose Lang, 58, of Oakland, who was also driving west and who was uninjured. Kilgore's car was described as badly smashed up.

NAMED CHIEF CHEMIST

Appointment of Gerson Chanin as chief sanitary chemist for Special District No. 1 of the East Bay Municipal Utility District is announced by John W. McFarland, E. B. M. U. D. general manager.

Orindans Enjoy Guild Benefit of Straw Hat Play

Surely no audience ever enjoyed more the current production of the Straw Hat Theater, "How Can You Miss?" than did the Orindans on their night of July 24 at Lafayette Town Hall.

Not a gay line or humorous bit of acting went by without chuckles from the appreciative audience. For pure enjoyment they all felt the performance was "tops." Even the actors felt the responsiveness of this audience.

Orindans are grateful to the Straw Hatters for a delightful evening and to the Section 2 of the Women's Guild which sponsored this night's performance.

The Guild, too, is to be congratulated on their realizing $151 as its share of the ticket sales, besides a donation of $6.50 all of which is to be contributed to the new kitchen fund for equipment.

Suit Is Filed over Phone Booth Blast

Explosion of gasoline vapors in a public phone booth where he was telephoning was basis for a $5,000 damage suit filed last week in Contra Costa superior court by W. H. Grigg. The accident happened last year.

Named in the suit were the Shell Oil Company at whose Orinda Crossroads station the explosion occurred, Harold Bayliss, manager of the station at that time, and Pacific Telephone and Telegraph Company.

Grigg charges that gasoline vapors gathered in the public phone booth through negligence of both companies, causing the explosion in which he was burned on the arms, legs and torso and suffered shock.

Vacationers from This Area Enjoy Mountain Camps

Vacationers from Orinda and Lafayette who enjoyed a summer outing at Oakland Recreation Department's mountain camps last month include:

The Andrew Steeles of Daryl Drive, Orinda, who spent the first week of July at the Feather River camp; Mrs. Pearl Bloom and sons, Jay and Howard, 1025 Brown Avenue, Lafayette, who vacationed at the mountain beauty spot at Tuolumne in late June and early July, and Mr. and Mrs. Harvard Stewart and son, Brandon, 1140 Estates Drive, Lafayette, who returned Sunday from two weeks at the Tuolumne family camp.

Hawthorn Drive, Lafayette, was well represented at the Feather River Camp July 13 to 22, with neighbors Mr. and Mrs. Harold Montgomery, Mrs. Hazel Stark and daughter Claudia, and Mr. and Mrs. G. A. Squires and family taking part in the camp activities.

Catholic Women To Meet Tuesday

The August meeting of the Catholic Women's Club of Orinda will be held in the main dining room of St. Mary's College next Tuesday evening at 8 o'clock.

All those who would like to attend but who have transportation problems are invited to call Mrs. V. F. Baumhefner, Orinda 2568, and she will be most happy to make arrangements for them to get to the meeting.

Hostesses for the evening will be Mesdames M. G. Bartlett, G. F. Bonnington and F. C. Collins.

Mrs. John Stoffell, president of the organization, asks that all members who are unable to participate in the women's Retreat at Vallumbrosa this weekend make a special effort to attend the first Friday Communion Services at the 7 o'clock mass today, and also the Fatima Prayers for Peace Services at the 8 o'clock mass tomorrow.

There will also be a Group Communion at the 8 o'clock mass this Sunday.

William Merrill Fay Named to Pulpit At St. Stephen's; Plan New Church

William Merrill Fay will take the pulpit of St. Stephen's Episcopal Church of Orinda as of August 15, it was announced today.

Rev. Fay, who graduated this Spring from the Episcopal Theological Seminary at Alexandria, Va., is the son of Prof. and Mrs. Percival Fay of 955 Mendocino Avenue, Berkeley.

He was married June 16 of this year in Buffalo to Margaret Plage Crawford and they plan to make their home in Orinda.

PLANS ARE PROCEEDING for the building of a permanent church for St. Stephens and a very desirable site has been selected.

Capt. H. W. Pillsbury heads the finance committee and serving under him are Paul Demeter, Clinton C. DeWitt, Jr., and Mrs. W. H. Pickton, of Orinda; and Mrs. R. C. Franke and Fred Lincoln of Lafayette. Members of the building committee will be named in the near future.

MRS. ROBERT BIGLER is contacting everyone on St. Stephen's membership list and completing the church files as to Baptisms, Confirmations, other data.

A rummage sale is scheduled for November and Mrs. Harriet Hunter of 611 Miner Road, has accepted the chairmanship. She will appoint a committee to assist her and in the meantime Mrs. William B. Sheppard of 631 Miner Road will donate space in her basement as a repository for the sale.

Moraga - Canyon Firemen to Meet

Moraga-Canyon Volunteer Firemen will hold their monthly meeting next Thursday night at the Moraga Fire House.

President Art Fleuti said that the session, which will start at 8:30 p. m., will probably include regular drill and a demonstration of use of the new truck.

CALENDAR OF EVENTS

SUNDAY, AUGUST 5

Services at Orinda Community, St. Stephen's Episcopal, Santa Maria and Christian Science Churches.

MONDAY, AUGUST 6

Orinda School Board, budget hearing, Orinda Grammar School, 8 p.m.

TUESDAY, AUGUST 7

Boy Scout Troop 207, Scout Hut, 7:30 p.m.

Catholic Women's Club of Orinda, main dining room of St. Mary's College, 8 p.m.

Ninth District American Legion dinner in honor of State Commander Stanley Dunmire, Acapulco, Lafayette, 7 p.m.

WEDNESDAY, AUGUST 8

Lions Club, Willows, 7:30 p.m.

Rotary Club, Willows, 12:15 p.m.

Barbershoppers, Orinda Roost, 8 p.m.

Contra Costa County Republican Assembly, general meeting, Veterans Memorial Building, Lafayette, 8 p.m.

Moraga-Canyon Volunteer Firemen, Moraga Fire House, 8:30 p.m.

THURSDAY, AUGUST 9

Boy Scout Troop 200, Scout Hut, 7:30 p.m.

ORINDA SUN'S NEW PHONE NO. ORINDA 2902

Shipmates Hear Story of Woman's 1300-mile Canoe Trip

By CARRIE BROWN

One of the most interesting programs ever to be enjoyed by the Shipmates was presented last Friday evening. Chuck and Mollie Blue were the genial hosts to about 15 couples and the Alfred Buxtons and the Art Henrys served refreshments.

Highlight of the evening was a fascinating talk by Mrs. Neil Carey of Richmond, who vividly described the trip she took alone in a 14-foot dugout canoe along 1300 miles of the inland waterway from Puget Sound to Alaska.

Her colorful and analytical account of the coastal colonies of British Columbia, her basic knowledge of navigation and resourcefulness when her gear, camera and food were lost in high seas kept the group rapt with attention.

Betty Carey, the wife of a Naval officer now on active sea duty, grew up on one of the islands in Puget Sound and early in her seaside life yearned to go to Alaska via water.

After finishing Pomona College, she did just that — taking 63 days for the journey in a very fine Indian canoe. Currently she is compiling additional data on the culture of British Columbia, and at the same time taking great care to raise her two young sons to be experienced and resourceful in outdoor living and near the water.

Recently Mrs. Carey has been serving as a Gray Lady in Oak Knoll Naval Hospital where too frequently she has observed young veterans who have grown up without the essential training in outdoor life.

With such in mind, she praises the scouting organization in our country.

Any Complaints About Weather?

If Orinda has been breaking any records lately, it certainly hasn't been in the weather department. Which, from some points of view, is something to be grateful for.

High spot recorded by our Orinda weather observer for the week of July 26 hrough and including August 1 was on July 30, 97 degrees. Minimum temperature for the period was the 47 degrees noted on July 27.

Any complaints?

Air Alert! School Kids Know What to Do...

By MILDRED LLOYD

Do you know what to do in case of a bombing attack on this area?

You can rest assured that if your child attends any of the schools in this area he does.

He has been well-trained in just what he is to do in case of such an emergency — and this he will do under the direction of the best trained leaders of children in the district — the school teachers and administrators.

For the past year, drills in what they must do if an air raid alert is called has been practiced regularly by each and every pupil throughout the school district, from nursery school up through the high school seniors.

THE AIR RAID DRILL has become just as much of a routine practice with the children and their teachers as has the fire drill which has been regularly carried out by school children throughout the state for the past 40 years.

Since this regular practice of the bombing drill has become a routine affair, the little children make a game of climbing under their desks and covering their faces, and accept it without fear, according to their teachers.

THE OLDER CHILDREN accept the drill and the possibility of attack with an understanding of the necessity for practices, since explanations of why they are carried out has been discussed by them and their teachers.

The most important thought and the first object of those in charge would be, of course, to protect the children and give them the best supervision and care under stress that would be possible.

FOR THIS REASON the school leaders have asked all parents to trust their leadership of the children and to follow closely the rules that the schools have made for the protection of the youngsters in case of any raid.

These same plans which were used last year will be in effect when schools open again in September.

Among the rules for parents to remember in case of an air raid alert during the hours that school is in session is that all children will be kept in school until the danger is over.

PARENTS SHOULD NOT try to reach schools at such a time, since there will be controls on all highways and the congestion caused by parents driving to schools would block the roads.

Parents are also asked not to telephone schools at such a time, as this would jam the wires, and necessary calls would not be able to come through.

Parents should remember that the schools have made careful plans to care for the children until after the danger has passed and that then each child will be taken to his home.

According to the school administrators of this community, the most important thing for all parents to do in case of an emergency is to cooperate completely with the schools and their plans for the protection of the children.

'Operation Houseparty' for Stoneman Boys Scores in Orinda; Glenside Next

First "Operation Houseparty" for the boys from the Camp Stoneman Hospital, held last Sunday at Orinda, was a complete success, according to Red Cross Field Director Clarice Callahan, as well as Mrs. Theodore Bradley, who headed the arrangements in Orinda.

Her committee consisted of Mesdames Kirk Miles, Ida Zamloch, William Mott, Jr., and George Matey.

NOT ONLY WERE the boys enthusiastic about their day, but the doctors at the hospital declared the day with the hospitable Orindans had done the boys "more good than we could do them."

As for their hosts — plans are already firm for entertaining the full quota on August 26, as well as on an undetermined date in September, and a list of prospective hosts for October far exceeds the probable number of patients available.

THE GLENSIDE DISTRICT of Lafayette will take over this Sunday and entertain the boys from 11 o'clock in the morning until the bus picks them up at 8 o'clock in the evening.

Mrs. Lester Conklin of Glenside Drive is in charge of placing the boys in the area.

Assisting her in planning arrangements are Mrs. Tom Bratten for Glenside Circle and Mrs. Lawton Shurtleff for Las Trampas Manor.

WALNUT CREEK will have the next week, August 12, and anyone wishing to participate in "Operation Houseparty" may contact either the Red Cross headquarters in Walnut Creek or Mrs. S. H. McAllister, Lafayette 4630.

Lost Swim Pool Pops Up In Road During Hot Spell

It was hot this week and friends of Mrs. Mildred Culbertson, executive secretary for the Mt. Diablo Red Cross Chapter, thought for awhile the heat was too much for her.

"Have you lost a swimming pool?" Mrs. Culbertson kept asking visitors to her office at 1607 Locust Street in Walnut Creek.

Most of them muttered something about "sorry," then backed away with a sympathetic look and disappeared.

But what Mrs. Culbertson wanted to know was who lost a swimming pool: one plastic, portable pool about 3-feet in diameter. She found one in the middle of Walnut Heights Shady Glen and no one in the neighborhood knows to whom it belongs.

If your plastic, portable swimming pool is missing try describing it to Mrs. Culbertson. She may have it.

Luau Sept. 8th At Vad Jeltons'

The Orinda Branch of the Children's Hospital is giving a benefit Luau September 8 at the home of Mr. and Mrs. Vad Jelton in Happy Valley, with typical Hawaiian and Tahitian food, entertainment and decoration.

The gardens will be lighted by flaming torches, the pool will be afloat with baby orchids flown in from Hawaii and the ceremonial pigs will be baked in pits in the orchard.

Mrs. Jelton, chairman of the Orinda Branch, joined her husband and son on their yacht the Minerva in the annual race to Honolulu, and while in the Islands she obtained more ideas for the Luau.

The Athens Club will stage its Water Follies of 1951 with such well-known swimming and diving stars as Suzanne Zimmerman, Carla Fischer, Al White and Mora Stone.

The committees will be under Mrs. Woodburn K. Lamb, general chairman, Mrs. Edmund Cardin, food; Mrs. William Foster, table settings; Mrs. Frank Fee, decorations, and Mrs. Thomas Telfer, tickets.

Branch members will be dressed in Hawaiian garb and will assist in the serving. There will be a Hawaiian orchestra for dancing throughout the evening.

Local Students Win Scholarships

Walnut Creek, Orinda and Concord students' names were among those released recently by the University of California as winners of graduate or undergraduate scholarships on the Berkeley campus, effective for the 1951-52 academic year.

Listed as receiving a graduate award was Gladys Leone Schwatka of Orinda, who was granted the John Bell Mhoon scholarship in law.

Those winning undergraduate scholarships were:

Walnut Creek: Ralph Leonard Edmister, sophomore, Letters and Science; James Edward Dougherty, junior, Letters and Science; Frankie Darril Hudson, junior, Letters and Science, and Juanita Gloria Velasquez, freshman, Letters and Science.

Orindans: Anne Cooper Badgley, sophomore, Letters and Science and James Dane Hall, freshman, Letters and Science.

Concord: John Lloyd Malson, Jr., sophomore, Engineering; Theodore John Murphy, senior, Business Administration; Frances May Rice, junior, Letters and Science, and Nancy Ruth Shiddell, senior, Letters and Science.

The undergraduate scholarships, endowed from various sources, were awarded by the Committee on Undergraduate Scholarships on the basis of scholarship, need and promise, or according to special conditions set by the donor.

Many Winners At Inter-Club Camera Contest

At the Inter-Club competition of camera clubs of Northern California, held July 23 at the new Recreation Center of Walnut Creek, Dr. Irving Ellis of Piedmont, member of the Royal Photographic Society, was the judge.

In the black and white print competition of beginners, first place went to Norwood Burton of the Rentlaw Camera Club, second to E. Tichenoir of the Mission Pictoralistse of San Francisco, third to Harold Balloc of the California Camera Club, fourth to Maud Woods of the Richmond View Finders and fifth to Elizabeth of the Berkeley Camera Club.

IN THE ADVANCED CLASS, first place was won by Maxine Bacher of the Berkeley club, second by Ed Jacobs of the Mission Pictoralists, third by Ed Werner of the Excelsior Camera Club, S. F., and fourth by L. Meson of Central Y Camera Club.

In the Salon Division, first place went to Frank Gratta of the Retlaw Club, second to Ben Randall of the Contra Costa Camera Club, third to Jack Cannon of the California Camera Club, fourth to Vincent Vaccaro of the Redwood Empire Camera Club and fifth to K. L. Suanof, United Camera Club.

IN THE COLOR SLIDE Division, first place was won by Ben Randall, second by Dr. Gilford Soules of Oakland Camera Club, third by Walter Sullivan of Central Y, fourth by S. E. Bricil of the Berkeley Camera Club and fifth by Norma Mayhood of the Photo Chrome Camera Club.

This Sunday the Contra Costa Camera Club will have a field trip to Bodega Bay. The next regular meeting will be at the Orinda Community Center, Tuesday, August 14.

Personnel Tests at West Campus Tomorrow

Personnel test required for all new students who plan on entering West Contra Costa Junior College this fall will be given tomorrow at 9:20 a.m., junior college officials announced .

All students entering the junior college are required to take these tests regardless of age, major or previous school attended.

CHIEF MEDICAL OFFICER

Dr. Howard H. Wolfe has been appointed chief medical officer of the Veterans Administration San Francisco Regional Office.

Don't Keep Our Faces Red, Please!

Memo to our subscribers:

Have we spelled your name correctly in addressing this issue of The Sun to your home?

If we have made a mistake in your name or misspelled the name of your street, transposed house numbers or erred in any way, will you please let us know.

We have corrected a few errors that have come to our attention. Some of you have been kind enough to let us know about spelling mistakes.

Don't hesitate to tell us when we are wrong. Long ago some wise man said "It is human to err." But we can't correct that of which we're not aware.

FAIR EXCHANGE — Shapely Gerrie Nardini, Walnut Festival Queen candidate for the Kiwanis Club, as she sells a Festival ticket to Secretary-Manager Norman Sundborg of the Contra Costa County Fair, while Gerrie received an invitation to attend the county fair at Antioch, August 9 to 12. (See story below).

Fun Assured for Kids, Grownups At County Fair

Numbers of features, planned to appeal to all, are included in the 11th Annual Contra Costa County Fair and Rodeo celebration slated for next Thursday through Sunday, August 9-12, at Antioch's 56-acre county fair plant.

With representation from every city in Contra Costa County anticipated, a mammoth parade will be one of the highlights.

Sixteen trophies and several cash awards are awaiting the best drum and bugle corps, according to Don C. Little, parade director for the fair and rodeo. Other awards will be made for the various parade entries — the best float, decorated car, drill teams, 4-H entry, junior entry, floral decorated entry and seven awards for horse entries.

DOZENS OF "KIDS' events" are on the program for the first two days of the event. The added inducement to youngsters of half-fare carnival prices until 5:30 p.m. opening day is offered.

Norman Sundborg, secretary-manager of the County Fair, pointed out today that "every day will be kids' day."

Those under 12 will be admitted free of charge this year. Only those 12 years and over must pay the general admission charge of 50 cents.

THE OPENING DAY program will include judging of livestock, the cake contest, kids' events, floricultural and horticultural judging, puppet shows, stage shows, fly casting demonstration, a talent show and a horse show.

An invitation has been extended to "drugstore cowboys" as well as authentic buckaroos to enter the annual horse show and rodeo to be held in conjunction with the Fair.

A TWO-DAY RODEO has been set for Saturday and Sunday of the program, with fast-bucking horses, tough Brahma bulls and roping stock to try the mettle of the cowboy entries.

George H. Cardinet, Jr., fair director and general rodeo chairman from Concord, said entries for the horse show and rodeo are rolling in.

Ed Gomez of Concord, Bill Patton of Oakland and Norman Martin of Pittsburg, first three men to register for the calf roping event, are assured of having rivals, with at least 35 more entries made and more expected.

Perry Cotton of Visalia has been announced as judge of the cutting horse event as well as the quarter horse class.

COUNTY RESIDENTS are studying the premium list with the idea of participating in trying for the cash prizes and blue ribbons offered in the 75 or more divisions.

A "Handlebar Handicap," open to three newspaper carrier boys from each paper in the county, will be a highlight of the Saturday program.

Attractive prizes will be given the contestants who hit various targets along a specified throwing route. According to present plans, bicycles will be furnished and a large stock of newspapers will be on hand for contestants to fold and "deliver" along the "imaginary" route.

Anniversary Fete At Buchanan Field Tops Busy August

August will be a busy month for fliers and visitors alike at Buchanan Air Field.

This coming Sunday, August 5, the California Highway Patrol will hold its annual benefit for Widows and Orphans. The event will be a road race between foreign-made cars starting at noon.

August 12 Buchanan Field airmen and their friends are invited to attend a Dude Ranch breakfast and radio show at the Old Hearst Ranch near Pleasanton. A caravan of cars will leave from the field as well as several planes heading for the special celebration.

A large group of airmen plan to "take to the air" August 18 and 19 for a pre-Roundup Breakfast flight to Mary's Arena at Alturas in Modoc County. Prizes and free transportation to the rodeo is offered participants.

August 25 and 26 will mark Buchanan Field's own fifth anniversary celebration—an all-day event open to the public with everything free. There'll be an air show, movies, acrobatics, helicopters, jets and static displays.

Stretching events into September is an invitation for Buchanan Field flyers to attend the Salmon Derby at Astoria, Oregon, on September 1, 2, and 3.

RICHMOND FAIR

The First Annual Richmond Community Fair, August 22 through 26, announces that plans for daily events have been set and committeemen have been appointed.

Judge Dismisses Foreclosure Suit Vs. Carroll, Reed

Legal actions naming a Lafayette man, Thomas F. J. Carroll, Jr. Glen E. Reed, 55-year-old Concord and San Francisco promotor, and two other defendants, in a suit to foreclose on $52,000 worth of property have been dismissed by Superior Judge Benjamin C. Jones.

The two men, who with Carroll were named in the suit against Reed were Robert M. Cairns, Walnut Creek tractor and farm implement dealer, and Kenneth W. Arvidson of Pittsburg.

Plaintiff was W. E. Williams, Walnut Creek florist, who charged he had made loans to Reed of $10,00 and $30,000 which are now overdue.

He sought to foreclose on household furnishings and fittings and farm equipment totalling $52,054 put up as loan security.

Judge Jones ruled that Williams debt had been satisfied in previous court judgments against Reed.

Carroll was among those who were alleged to have lost money in dealing with Reed, who several months ago was indicted for grand theft in San Francisco upon charges made by Carroll and other Bay Area residents charging swindles of $200,000 in business transactions.

Swim Program Sets New Acalanes Record

Walnut Creek, Parkmead and Buena Vista schools rallied 463 students to the Red Cross Swim Program at Acalanes pool this year for a new record, it is reported by Mrs. Lucille Adams, in charge of registration for the Red Cross program.

Last year the program attracted only 310 students. The average daily attendance this year was 282 as compared to last year's 210, Mrs. Adams said.

Pleasant Hill, Diablo Vista, Orinda and Glorietta schools are now using the pool under Red Cross supervision and will continue their program until August 4. All other schools in the Mt. Diablo area are scheduled from August 7 through August 18.

Sewage Disposal Hearing Delayed Until Sept. 11

Public hearing on the proposed sewage disposal ordinance has been postponed from the original date set for next Monday, 9 a.m., to September 11, on action of Board of Supervisors Chairman H. L. Cummings.

Supervisor Cummings set the new meeting day in order that several of the interested persons who were out of town would be able to attend the session.

Dr. H. L. Blum has been working on details of the proposed ordinance which is a matter of special interest to subdividers.

Real Estate Sales Soar to $2,839,829

Real estate sales in Contra Costa County for the first seven months of this year totaled $2,839,829 it was announced today by A. J. "Buck" Johnson, Walnut Creek realtor and president of the Contra Costa Real Estate Board.

"It looks like 1951 will produce the best sales record we've had in the last six years," he said.

The Board's multiple listing system celebrated its fifth anniversary on August 1. Sales for the five-year period totaled $15,650,000, according to Johnson.

This figure includes 1346 sales at an average of $11,553. The low average is due to the inclusion of unimproved property sales, Johnson pointed out.

Last year's sales totaled $3,919,874. The previous four years include 1949, $2,904,140; 1948, $3,295,833; 1947, $1,618,455 and 1946, $1,063,327, Johnson's report revealed.

Ninth District To Honor State Legion Commander

State Commander Stanley Dunmire will be honored by the Ninth District American Legion at a dinner next Tuesday, 7 p. m., at the Acapulco in Lafayette.

The Ninth District is made up of all the Legion posts in Contra Costa County.

Reservations are not necessary.

Harry Bramble of Lafayette Post 517, past district commander, who is chairman of the evening, stated that this affair will be one of the most outstanding to take place in California this year.

All state officers of the Legion will be present to honor the commander and greet the Legionnaires of California. he said.

Following introduction of the state commander by J. Kenneth Coveney, Ninth District commander, an elaborate program has been arranged for the evening.

O.K. Given for 2 New Duplexes

Permission to build two duplexes on a 5 by 117 foot parcel near Acalanes Junction was granted Monday to Ober J. Johnson by the Board of Supervisors.

Located in Reliez Valley Estates, the land, fronting 50 feet on each side of a private road, is back of the Lindsey Nut Company. It is approximately 350 feet north of Mt. Diablo Boulevard and about 500 feet east of Pleasant Hill Road.

"Opportunity"

A modern miracle is taking place right under our noses . . . and unless we pause for a minute to consider it . . . we're liable not to notice it at all . . . so let's pause —

Cynics would have us believe that the era of "opportunity" is past, that "sure, our forefathers were adventuresome and were interested in "opportunity" because there was so much of that "opportunity" around . . . but today there just isn't any left."

To such talk we say, "look at what's going on RIGHT HERE IN THE HEARTLAND AREA OF CONTRA COSTA; ORINDA, LAFAYETTE, WALNUT CREEK, CONCORD AND DANVILLE!" Surely the tremendous growth of one little area shows that the day of "opportunity" is still with us!

Until a few years ago, our "neck of the woods" was a pretty sleepy suburban place containing a relative handful of people . . . but it has suddenly sprung to life and is growing at a speed which leaves even the most progress-minded Californian completely amazed. Within the span of a short 5 years, our sunny land has expanded in population at an unprecedented rate into a community of beautiful homes, fine schools and thriving businesses. This remarkable transformation may be attributed to 3 factors; a climate unsurpassed anywhere in the State, a location which is within minutes of the largest centers of population in Northern California, and to the foresight of the men whose faith and hard work have brought into existence this present day wonder.

We are grateful that we have grown with the community. Since we are in the Real Estate business (we list and sell property — we are not builders) we feel that a record of our "sales" may well be interpreted as a record of the growth of the area. Here are our sales figures that prove the point:

In 1949, our sales totaled $800,000. In 1950, they reached $2,500,000, and for the first 6 months of 1951, they have already exceeded 1950 with a total of $2,727,746.

As may be seen from the above figures, the phenominal growth of the heartland area has been little short of explosive, and from all indications, this expansion may be expected to continue unabated into the foreseable future.

Yes, the days of "opportunity" are still with us!

K/R HOMES

Grimes' Drapery Aids Picture Window

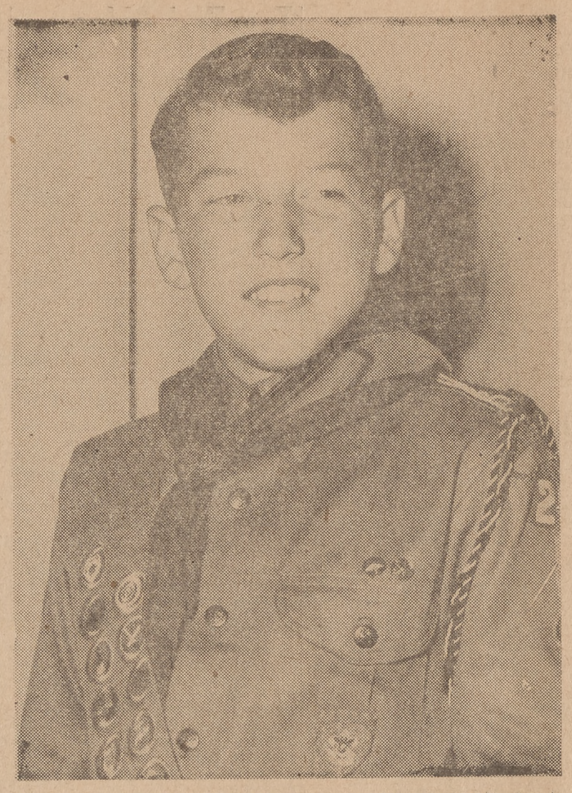
Drapery treatment at the living room picture window of the Thornton E. Grimes home, 74 Van Tassel Lane, was chosen by Better Homes and Gardens magazine, August issue, as an example of what simple draperies can do to effectively frame a good view.

The Grimes have used a pleated plain fabric, full enough to be pulled across the large "view" window on traverse rods for nighttime privacy. The magazine points out how the quilted cornice which matches the draperies not only carries the drapery color over the window to frame it effectively, but adds enough height to balance the width of the window.

Color used in the drapery and valance blends with the color of the outer wall and over-hanging roof, which form a recess for the window. An effectively planted windowbox that blends its colors with those of the room and outdoors adds a finishing touch to the picture window that frames a view of the hillside slope and valley below. Designers for the Grimes' were Klaus Pfelfer and Pearl Bank Steward.

NEW WEATHER STATION

Establishment of a special cooperative Weather Station, the only one in San Francisco, at the California Academy of Sciences is announced by Dr. Robert C. Miller, academy director, and E. L. Felton, section director of the United States Weather Bureau.



EAGLE SCOUT NEXT MONTH? That's what 12-year-old Life Scout Allen Sutton expects to be. He has good reason for his expectation, since he already has 17 merit badges and is working hard this summer to attain the remaining four which would give him the 21 required for Eagle Scout rank. Allen, a member of Orinda Scout Troop 207, is the son of Mr. and Mrs. Orvall Sutton. His father owns the Sutton Shoe Shoppe in Lafayette. — Tribune Photo

I'm Frank ...

and I took a two weeks' vacation so far as writing this column is concerned (yes, I know, everyone thinks I'm on a permanent vacation) and Walter Nicklas on Moraga Highway got real upset about it. He told me that, as bad as it was, he found he had to read it every week so that he would appreciate reading other things more.

"Baldy," he said, "Nothing could be as bad as that stuff you feed us Orindi-Indians." However, by letting a couple of weeks slip by, I upset his routine so much that he decided to sell his house and buy a "nut ranch." Some nut moving out of Orinda!

Well, it just goes to show you what some people will do to keep from reading this column. Orinda Hardware is going tomiss you, too, Walter, and your soft-spoken ways of expressing yourself.

Larry, that's the quiet fellow who knows all the answers about paint, just got out of the hospital this week and dropped in to show us his crew haircut. Did I say "crew" haircut? Well the barber that did it must have used a "cue-ball" for a model. In fact, you now can call Larry "Cue-ball" for short.

I think even I have more hair than he has now. (Well, I do have two hairs, anyway — one over each ear.) If you don't want to have a haircut like Larry's forced upon you, just drive at night with the doors of your car locked, so, when someone runs up next to it while you're parked for a stop light, they can't knock you over the head when you refuse to take them for a ride.

It cost Larry a cracked skull, a pocket full of money and a free haircut to find out it's a good idea to lock the doors of your car when driving alone at night.

But there is a bright side to every story: As I said, Larry did get his hair cut free and didn't have to pay the regular $1.25 for it. Also, besides it being a very comfortable type of haircut for this weather, he won't have to have it cut for at least six months.

Before "Cue-ball" comes back to work, we are going to try to sell all of the paint so he won't have to work so hard.

The truth of the matter is, that Walter Boysen has decided to change all of the colors in our stock of high gloss, semi-gloss and one-coat flat wall paint and, to make way on our shelves for the new stock, we have to clear out the discontinued colors.

If you want a **real buy**, buy Boysen's Tru-Glo, Tru-Lite and Tru-Kote now at 50% off the regular price. As an example, you can buy a quart of one-coat flat wall paint for only 60c; the regular price has been $1.19; and you can buy a gallon for $2.00, and the regular price has been $4.01. There is absolutely nothing wrong with the paint (only the guy that's trying to get rid of it — it's "sech a bargain").

I don't think there are any cans that are over six months old, which means you can keep it for several years before using it. Don't forget: you save 50c on a $1.00 purchase.

I haven't heard many fish stories yet this year, perhaps because the season seems late in getting started, but, when Mike Hardy came home from a fishing trip without any fish, he just complained that you can't catch any fish out of a sleeping bag. Well, I never thought about trying to catch them that way, but, boy, that's for me, whether I catch them or not, 'cause

Sue Wyatt and Robert Lease To Exchange Vows

Culminating their engagement which was announced several months ago, Sue Karen Wyatt, daughter of Orinda Fire Chief and Mrs. H. Everett Wyatt, 2 Kittiwake Road, will recite marriage vows with Robert J. Lease Sunday afternoon.

The four o'clock ceremony at St. Clement's Episcopal Church in Berkeley will have the Rev. J. Henry Thomas officiating.

Sue will be escorted up the church aisle by her father, who, with her mother, will be hosts at post-nuptial festivities at the Town and Gown Clubhouse in Berkeley.

Mrs. David Randolph Inge, 54 Sleepy Hollow Lane, the former Stella Wyatt, will be matron of honor for her sister. Bridesmaids will be Jane Palmer of Oakland, Barbara Russell of Paradise, California, and Mrs. Henry Schlinger (Carolyn Lease) of Stockton, the benedict-elect's sister.

JACK PIERCE will be best man for Bob, who has asked three other Stockton friends to usher, Louis Wentzel, Henry Schlingler and Victor Segarini.

A round of pre-nuptial parties has honored the bride-elect. Her sister, Mrs. Inge, was a recent luncheon hostess at the Art and Garden Center in Walnut Creek, and two cousins, Ellen and Carol Hester, were hostesses yesterday at a luncheon at Cape Cod House, Lafayette, in honor of Sue.

THE SOON-TO-BE-WEDS plan to live in Stockton where they are building their home. They plan a Tahoe honeymoon.

Bob, son of Mr. and Mrs. J. E. Lease of Stockton, attended College of the Pacific at Stockton, where he was affiliated with Rho Lambda Phi Fraternity. Sue also attended C. O. P., where she was a member of Epsilon Lambda Sigma. She is an alumna of Dominican Convent in San Rafael.

Four-Week Trip to Mexico Will Result In Plenty of Photos

With her son Douglas at the wheel, Mrs. Charles Pimentel and two teachers from the Albany High School left last Saturday for a motor trip to Mexico City.

On the way they will make stops at Hoover Dam, Grand Canyon, Carlsbad Caverns and El Paso.

Their journey will take them through Juarez.

All have cameras, and picture-taking through their four weeks' traveling will be a daily project.

Dawsons Enjoy Trip in Southwest

Mr. and Mrs. E. A. Dawson recently took a three-week motor trip through the Southwest, every minute and mile of which they said they enjoyed immensely.

One of the unusual thrills was swimming in Salt Lake.

They enjoyed the scenic attractions of Albuquerque and other places in New Mexico and of Texas and Arizona, besides visiting relatives along the way.

Courtrights Missed Flood by Two Days

Mr. and Mrs. Kenneth Courtright, Carol and "Candy," had a wonderful month's vacation trip.

They left Orinda June 19, expecting to fly to Detroit, but because of the airline strike took the train to Detroit. Here they bought a new Chrysler car, and, joined by Mrs. Courtright's mother, Mrs. Samuels, they motored along the St. Lawrence River and took a boat trip through the famous Thousand Islands.

THEY FOUND MUCH of interest in Montreal and Quebec. Especially beautiful they thought the drive through the White Mountains of New Hampshire.

They spent a week in Washington, D. C., staying at the home of Mrs. Courtright's brother, Colonel Samuels.

Little Candy had a rest from sight seeing here by having three little cousins to play with while the older ones visited all the points of interest and Mt. Vernon.

They spent two days browsing through delightful Williamsburg, trying not to miss a thing, as Mrs. Courtright is especially interested in early American relics and furnishings.

NOW THEY WERE GRATEFUL for the two days' delay by not taking a plane to Detroit as planned, for just by two days they missed the Kansas flood. They were re-routed north but saw the awful and almost unbelievable havoc wrought by the raging waters of swollen rivers.

In Colorado they studied the ancient Indian ruins in the Mesa Verde Park, then drove through Salt Lake country and then home to Orinda.

Where to Complain to County Grand Jury

As the new Contra Costa County Grand Jury started to function, with committees all set up, the 19 members hoped the public would heed two specific complaints of their predecessors.

These complaints, expressed in the report of the 1950-51 Grand Jury, were to the general effect that no complaints had been received from the citizenry during the jury's entire term.

Will the 1951-52 Grand Jury voice similar complaint next June?

In order to prevent such a situation, and in order to aid the jurors in their work, citizens have only to communicate with the Grand Jury foreman, W. M. Casey, Route 2, Box 444, Clayton Road, Concord.

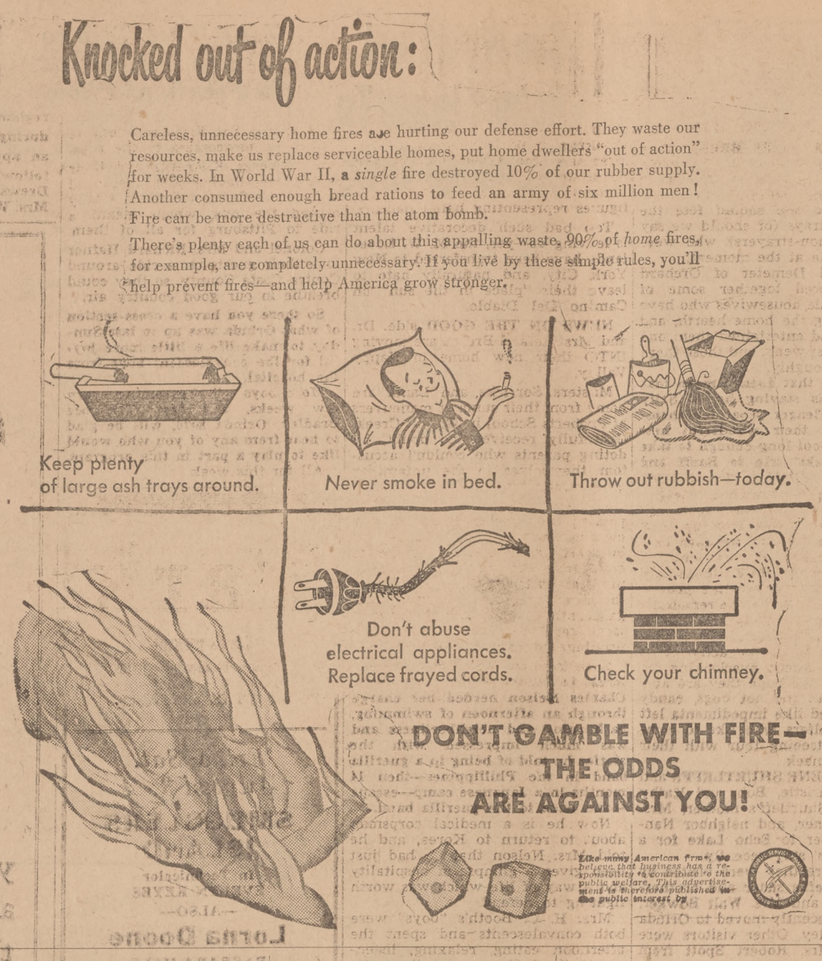
Secretary of this year's Grand Jury is Claude M. Stitt, 712 F Street, Antioch.

Here's what the 1950-51 Grand Jury had to say about public cooperation with the Grand Jury:

"Much more could be accomplished if the public was properly informed of the functions of a Grand Jury. Many are prone to expect the Grand Jury to police all irregularities but are not willing to inform the Jury of any such irregularities. This Jury did not receive a single written statement about the functions of any offices of this county. Verbal statements are often the result of gossip and without foundation."

Also:

"The general public is apathetic in regard to law enforcement, unless they are themselves involved. During the entire year of duty by the present Grand Jury, not a single citizen has complained of lack of law enforcement or given the members any evidence that the law has been broken. The law abolishing the possession of slot machines in California has greatly assisted law-enforcing agencies in curbing crime. No evidence of organized crime has been brought to the attention of any member of the present Grand Jury."



Knocked out of action:
Careless, unnecessary home fires are hurting our defense effort. They waste our resources, make us replace serviceable homes, put home dwellers "out of action" for weeks. In World War II, a single fire destroyed 10% of our rubber supply. Another consumed enough bread rations to feed an army of six million men! Fire can be more destructive than the atom bomb.
There's plenty each of us can do about this appalling waste. 90% of home fires, for example, are completely unnecessary. If you live by these simple rules, you'll help prevent fires—and help America grow stronger.
Keep plenty of large ash trays around.
Never smoke in bed.
Throw out rubbish—today.
Don't abuse electrical appliances. Replace frayed cords.
Check your chimney.
DON'T GAMBLE WITH FIRE—THE ODDS ARE AGAINST YOU!
Like many American firms, we believe that business has a responsibility to advertise to the public welfare. This advertisement is published in the public interest by

Photographic Exhibit To Play Important Role in Walnut Festival Art Display

Photography is scheduled to play a dominant part in the Walnut Festival Art Show next month according to Director Guernsey Ford.

Camera enthusiasts will find the exhibit housed in the new $35,000 Walnut Festival Recreation Center — a building made possible by Walnut Festivals of previous years. This year's Festival and Art Show is scheduled for September 21, 22 and 23 in the Walnut Creek City Park.

A distinguished group of photographic artists will make up the jury for the coming photograpic exhibit. These include K. V. Arntzen of Berkeley, associate member of the Photographic Society and American Fellow of the Royal Photographic Society; Robert Bergin, Robert Boardman Chaffee of Oakland, past president of the Oakland Camera Club, and Walter Treadwell, painter as well as photographer [illegible] widely exhibited.

AIDING THE SPECIAL Photographic Committee for the Festival exhibit will be the Contra Costa Camera Club. Mrs. Howard Flanders is committee chairman. Members include Mr. and Mrs. Jules Lindsey, C. C. Dippo, Guy Spencer, Jackson Davis, Dr. Howard Flanders, J. Wesley Rhoades and all members of the Contra Costa Camera Club.

Entry blanks are now in the mail, Director Ford announced. Blanks may also be obtained from Mrs. Flanders or at one of the following stations up to September 11:

Walter Willey, 691 Market Street, San Francisco; Camera Corner, 431 13th Street, Oakland; Orinda Camera Shop, Orinda Theater Building, or the Camera Shop on Main Street, Walnut Creek. Entries may be mailed to Postoffice Box 704, Walnut Creek.

Entries are open to all. Prints must be black and white, Ford stated.

OTHER ATTRACTIONS at this year's Art Show will include an extensive art in action display including leather and metal work, weaving, pottery making, jewelry making and children's art. Landscape design, sculpture and architecture will be on display. Painting exhibit will be on display inside the Recreation Center along with the photo exhibit.

Assistant Director Ford as a committee for the exhibit are Floyd Cowan, designer; and Edward [illegible] construction.

Individual exhibit heads are Ford, [illegible] Dougherty, architecture; Susan Campbell, weaving; Doris Clifford, printing techniques; Floyd Comstock, architecture; Bob Winston, jewelry; Dale King, allied crafts; Alice Breuer, sculpture; Ruth Howard and John Horns, children's art; Mrs. Howard Flanders, photography; Virginia Lewis, commercial, and Gustav Breuer and Jack Havens, nursery material.

Civil Air Patrol in Flight to Calistoga

Five planes with members of the Mt. Diablo Squadron of the Civil Air Patrol left their home base at Buchanan Field [illegible] and flew in formation to Calistoga for an outing.

The flight was headed by the command officer, Lieutenant Arnold Brickert, Concord.

August [illegible] president of the Calistoga Chamber of Commerce, welcomed the entourage and arranged transportation for a sightseeing tour to the "Old Bale Mill" in Napa Valley and a trip through the Beringer Brothers Winery at St. Helena (sorry, no samples). A delightful chicken dinner was enjoyed at the famous Silverado dining room before the return home.

School Rolls Up 13.2% in County

Although public school enrollment in California slowed down to a gain of but 2.9 per cent during the past year, Contra Costa County's school population increased 13.2 per cent, State Department of Education figures disclose.

Contra Costa retained its place as fifth largest in California, with a total of 74,977 students enrolled in all grades and special classes.

During the period that Contra Costa's enrollment increased 13.2 per cent — March, 1950, to March, 1951 — Alameda County registered a gain of 4.8 per cent, and San Francisco County enrollment decreased 22.2 per cent.

Counties which exceeded Contra Costa in school population were Los Angeles, 818,224; Alameda, 136,693; San Diego, 118,030, and San Francisco, 114,529.

Los Angeles had a gain of 3.6 per cent and San Diego County, 11.3 per cent.

Contra Costa County's total of 49,231 children enrolled in regular kindergarten and elementary classes is nearly as great as the total of such children enrolled in San Francisco public schools, which is 50,288.

Your Showcase – To 22,000 Homes

Every resident of Central Contra Costa County is a potential businessman, with the classified advertising pages of this paper the showcase for his wares.

And NOW — all your classified ads will appear IN ALL FOUR of our papers — the Contra Costa Shopping News, Walnut Creek Sun, Lafayette Sun and Orinda Sun — for only $1.30; four for the price of one.

With 20 words or less at the minimum cost of $1.30, and 6 cents for each additional word over 20, your message is carried to over 22,000 homes through these publications, a potential 88,000 readers.

Additional feature — the same ad can be run a second and subsequent times at a reduced rate, 95 cents for each printing, and 4 cents per word additional if over the 20 word minimum.

If you would join this far-reaching market, try to get your classified ad in by Tuesday at 5:30 p.m. Deadline is Wednesday, 10 a.m.

There is a reason why this paper carries more classified advertising space than the combined total of any other two publications in the area, and that is — RESULTS.

County Exhibit At State Fair Being Prepared

Active preparation of the Contra Costa exhibit at the California State Fair is now under way, following approval by the Board of Supervisors and the fair committee of the Contra Costa County Development Association of a design submitted by John Larson of Martinez.

The design by Larson, landscape architect of the Contra Costa Housing Authority, was selected from among a score of sketches offered by central and northern California artists.

Final details of the exhibit pattern have been completed by R. B. Claxton of Crockett, chairman, and other members of the association's fair committee, Mrs. Iola M. Booth, association manager and manager of the exhibit; Larson and William Dabelstein of San Francisco, who will build the 25 by 35 foot booth.

Representing the county geographically, industrially and agriculturally, Larson's design centers around a large outline map of the county, shore line set against running water, each city and town clearly delineated.

In the center is a large circular display for fruits and vegetables, drifting into a background pictured reproduction of Mt. Diablo. Recessed will be a replica of the $80,000,000 Antioch steam plant of the Pacific Gas and Electric Company, denoting the part of power in residential, agricultural and industrial development.

Details of the exhibit program were discussed at a recent meeting of Claxton's committee, which includes Ed Prewitt of Oakley, E. P. Vanni, J. E. Digardi, Nick Mascitelli, William Heruth and Milton Gross of Martinez, Leigh Smith of Richmond, J. Keith Pope of Walnut Creek, Doll Hupman of Concord, Verne Andreasen of San Ramon and Jack Schneider of Lafayette.

GOP Assembly To Hear Sherwin on Reapportionment

Third general meeting of the Contra Costa Republican Assembly will be held next Wednesday, 8 p.m., in the Veterans' Memorial Building, Lafayette.

Guest speaker of the evening will be Assemblyman Marvin Sherwin, past president of the Alameda County Republican Assembly and member of the Committee for Reapportionment in the State legislature.

Sherwin will discuss "What Reapportionment Means to Contra Costa County."

The public is invited to attend this first in a series of informal discussions by qualified speakers on subjects of interest to Contra Costa County residents.

Folk Dance Festival Set for County Fair

A folk dance festival which is expected to attract many hundred dancers is scheduled for the evening of August 12 in conjunction with the Contra Costa County Fair at Antioch.

Sponsored by the Diablo Council of Folk Dance and Square Dance Clubs, the festival will provide a spectacle of color as the costumed dancers, representing practically every country in the world, perform under the lights on the football turf.

The program will start at 7:30 p.m. and will include several exhibitions.

The Hymsanhurs, newest folk dance club to join the council, is composed of teenagers and, under the direction of their instructors, Carmen and Allen Doran, will present a colorful dance especially chosen for the occasion.

Branches Start Fund for Infants

With the exhibit of the Badding needlepoint rug at Bruener's, Oakland, held recently, the branches of the Children's Hospital of the East Bay started building a fund for the care of premature infants.

Children's Hospital is one of the few hospitals in this area equipped to care for more than a few premature infants at one time. These "preemies," as they are called, are brought by ambulance incubator from hospitals throughout the East Bay counties.

THE SIX INCUBATORS and five bassinets in the premature infants' nursery at Children's Hospital are often filled. At other times only a few "preemies" may be there, but the expensive 24-hour nursing care goes on, and equipment kept in readiness for a sudden influx of babies.

Mrs. William Harold Oliver, general chairman of the Branches of Children's Hospital of the East Bay, reveals that the total cost of caring for 70 premature infants last year was $85,714.50. The parents of these tiny babies paid according to their ability $19,409, leaving over $37,000 to be made up from other sources.

THE COMMUNITY CHEST and the Hospital's Branches have always supplied the funds for this as well as for other charitible activities of Children's Hospital, but never before has there been a fund specifically marked for premature infant care.

"A premature infant adds a heavy financial burden to young parents. In addition to the costs of the usual obstetric care comes a long and costly hospital stay for the baby. This averages $23.32 a day for about 43 days. Hospital insurance usually covers family members only after the [illegible] of six months, [illegible] must be found to ease this burden in cases where young parents have exhausted their funds," says Mrs. Oliver.

Don't burn without a permit.

Two from Area To Go to Junior Red Cross Center

Two high school student leaders will leave next Thursday for Bluff Lake, near San Bernardino, Calif., for this year's second western Junior Red Cross Leadership Training Center, according to Harriett Trumbull of the Mt. Diablo Red Cross Chapter.

They are Don Davis of Lafayette, a student at Acalanes High School, and Joyce Barrett of Danville, a student at San Ramon Valley High School.

They will be among the 104 students, who have already been selected, because of their outstanding leadership qualifications, from Arizona, Nevada and that part of California south of Sacramento.

These young people will be instructed in first aid, water safety, accident prevention, home nursing. There will be a discussion of the role of Junior Red Cross in the national emergency, supervision and instruction in swimming, junior and senior life saving qualification tests, camp fire activities and outdoor sports and games.

According to Miss Trumbull, these Junior Red Cross summer training centers, held annually throughout the nation, are designed to encourage leadership through a better understanding of international, national and regional problems.

If you love children — yours and your neighbors' — slow down when you drive home today.

HELPFUL HINTS

FROM MILTIE

To keep your curtains from blowing around when the windows are open, sew a small loop into the bottom hem of the curtain and place a very small hook on the window casing, high enough from the floor so that the curtain may be hooked back when you open the window.

And of course if you haven't any curtains to begin with we have plenty of them in stock right here at the store. Unbleached muslin curtains are carried in all widths for the standard length windows. They're very inexpensive too, only $8.95 a pair. Also if you have seen any of our special order drape work you'll realize that there's only one place out here to do your drapery work — and that's us. Free estimates and decorative service.

No modern kitchen should be without a modern crank-handle-type can opener — the kind that attaches to a bracket on the wall. No danger of cuts, no spillage, easy to clean and operate.

Two Trail Rides Labor Day Weekend

President R. B. Burnett of the Concord-Mt. Diablo Trail Ride Association has announced that two banner trail rides, instead of the customary one, will start the 11th annual Labor Day festivities at Concord. The three-day celebration September 1, 2, 3 includes a street parade and horse show.

This year the two-part Concord-Mt. Diablo trail ride will feature a 90-mile competitive ride over Contra Costa hills and trails to Barbecue Terrace and return, as well as a Tenderfoot Ride, which is non-competitive and leisurely, according to Chairman Bob Mattson of the Trails Committee.

The Tenderfoot Ride starts two hours after the competitive ride each day and finishes two hours ahead. Mattson declares that those on the Tenderfoot Ride will "from time to time be able to see those on the competitive ride, and have lunch and dinner with them each day."

Horse people regard this as the greatest novelty since Paul Revere imitated Woody the Woodpecker on families' doors.

George H. Cardinet Jr. of Oakland is named show committee chairman. The horse show will be staged Labor Day, Sept 3.

Reynolds Johnson, Oakland Packard dealer who lives near Four Corners, will be chairman of the parade committee. The parade starts at 11 a.m. preceding the Labor Day horse show.

Richard G. Nourse, of Concord, is trophy chairman.

Local Artists Will Exhibit at California Fair

Karl Kasten and Rex Mason of Lafayette and Felix Ruvulo of Walnut Creek are among the 16 Contra Costa County artists who will have entries in the arts and crafts show at the California State Fair in Sacramento, August 30 through September 9.

Kasten and Kuvulo will have oil paintings on display. In addition, Kasten will exhibit water color work.

Mason will exhibit ceramics work.

Shop at home — and save.

Possible Loss Of Bus Funds Faces Schools

Contra Costa County schools face the prospect of limiting bus transportation of pupils or taking a financial loss.

Assistant County Superintendent Harold DeFraga stated that new regulations proposed by State Superintendent of Public Instruction Roy E. Simpson would allow reimbursement of funds spent for transportation on a restricted basis only.

Under the proposal, state funds would be allowed in the following instances: For elementary school pupils transported at least one mile; for high school students transported at least two miles; for junior colleg students transported at least three miles.

In the past, eligibility for bus transportation has been at the discretion of the individual district, and the state has stood the cost.

DeFraga said, however, that he did not anticipate any wholesale cut in transportation which would necessitate pupils' walking long distances or resorting to private transportation. In the main, districts will probably absorb the cost of bus rides for children who do not live the required distance from school.

B'nai B'rith Picnic To Be Held Sunday

Final plans have been laid for the B'nai B'rith, Pittsburg Lodge, family picnic to be held at Castle Rock Park Sunday.

Each family is to bring a basket lunch and provide extra food for one soldier, as a number of armed services men from Camp Stoneman have been invited.

An entertainment program will include games and races for which prizes will be awarded, dancing, swimming and horseback riding.

Only admission charge for the all-day affair is the regular park entry fee, according to H. Vodian of the arrangements committee.

BEVERAGE TAXES

Collections of alcoholic beverage excise taxes in June, 1951, based upon May sales by wholesalers and manufacturers, amounted to $1,378,322, an increase of 9.2 per cent over a year ago, according to James H. Quinn, chairman of the State Board of Equalization.

Counseling Services Now Available at JC

Pre-registration counseling services are available for all persons planning on entering West Contra Costa Junior College, officials point out.

Elton Brombacher, member of the J. C. board, stated that these services were being made available in order to allow each entering student a chance to properly plan his future program. Counselors are on duty this summer for consultation, Brombacher said.

Arrangements can be made by either calling BEacon 4-4573 or contacting the student personnel office in the West Campus Administration Building at the foot of Central Drive.

Reappoint Young To Planning Body

County Planning Commissioner Arthur W. Young was reappointed for a four-year term to the Planning Commissioin by the Board of Supervisors Monday.

The previous term of Young, who is the representative from this area on the Planning Commission, expired yesterday.

Red Cross Flood Aid 'Over Top'

Generous and big-hearted residents of this area have sent the Red Cross drive for mid-western flood relief "over the top" in less than a week.

This was reported today by Mrs. John Fry of Lafayette, chairman of the special fund drive here.

More than $817 was banked Wednesday by Mrs. Mildred Culbertson, executive secretary of the Red Cross Mt. Diablo Chapter. This area's quota in the drive was $770.

"But we're continuing our plea for contributions to aid those chapters whose quotas are lagging," Mrs. Fry said.

Contributions may still be mailed to Mt. Diablo Chapter's headquarters at 1607 Locust Street, Walnut Creek.

Until Wednesday, "appeal booth" tables were manned by volunteer workers throughout the chapter area.

In Lafayette and Orinda, containers will be out through tomorrow so that those who wish to may leave contributions in them, Mrs. Fry said, but Walnut Creek and Danville have "cleaned up" so containers are not being displayed in those communities.

Lafayette containers are at the Central Bank, the Super Saver Market, the Lafayette Food Center and the Park Theater. Orinda containers are at Black's Market and the Orinda Store.

Community captains who have served under Mrs. Fry in the whirlwind drive are:

Walnut Creek — Mrs. Gladys M. Hawkins and Mrs. John Irving; Lafayette — Mrs. A. M. Cody; Orinda — Mrs. H. C. Gathings; Pleasant Hill — Mrs. Samuel Bradbard; Danville — Mrs. Phoebe Sears; Alamo — Mrs. Phyllis Spahr; Diablo — Helen Dolge; Ygnacio Valley — Anna Moscrop; Canyon and Moraga, Mrs. Harold Parker.

Farewell Party Honors Nicklas'

The Seafarers party last Friday night at the home of Mrs. Idress Abbott was a farewell to charter members Naomi and Walter Nicklas.

After the serving of a delicious dessert, Tom Meakin took over the duties of skipper. A brief business meeting was followed by games, for which prizes were awarded.

Then presentation was made by Meakin to the Nicklases of a "lazy Susan" set of polished wooden revolving tray and pottery dishes of white and green.

The Nicklas' new home address will be Rt. 1 Box 225, Ripon, Calif.

Youths Travel To Stockbridge

When the Ericsons left their Orinda home for their new one in Stockbridge, Mass., some months ago, they left their son John to finish his senior year at Acalanes. John stayed at the home of his friend Frank Teiche of Orinda Highway.

Upon graduating, the two boys and a friend, Richard Thompson drove to Chicago, where the visited Frank's relatives.

On the way they missed the Kansas flood with only two hours to spare.

Richard left his friends at Detroit. The other two drove on to Stockbridge to John's parents' home where he was happily reunited with his family and where Frank was entertained.

STORK CLUB....

JANET CLAUDIA CEDERHOLM

A daughter, Janet Claudia, was born June 25 to Mr. and Mrs. Weldon Cederholm of 7 Douglas Court. Janet Claudia weighed 8 pounds, 11 ounces on arrival at Alta Bates Hospital in Berkeley and missed being born on her mother's birthday anniversary by only one hour.

Orinda Here and There . . .

Mrs. Dale Webster Bridesmaid at Rites

Mrs. Dale Webster (Ethel Blair) was one of three bridesmaids who, with the bride's maid of honor, were feminine attendants for Betty Bernice Lind when she became the bride of William Robert Bueerman last Friday.

The evening candlelight ceremony was conducted by Dr. George Derbyshire at the First Baptist Church of Oakland.

The pink net ballerina length frocks worn by the attendants were strapless models with which they wore matching net stoles. Their bouquets were pink daisies, with the exception of Honor Maid Lois Lind's, whose lavender bouquet matched her accessories.

In New Home

A new family in Orinda is that of Mr. and Mrs. John Ellinger, formerly of Albany, who recently moved into the house they had built at 15 Monte Vista Road.

Also enjoying the new home are their two boys, Douglas 8 1/2, and Bruce, 4 1/2.

Sermon Will Be On 'Rediscovery'

Rev. Godfrey Matthew's sermon topic Sunday will be "Rediscovery of the Sacrament." This service of the Orinda Community Church will be at 10 a.m.

During the first half-hour children will be present and will hear a story.

Rev. Matthews' sermon topic last Sunday was "Rediscovery of the Bible." One of the points he made was that the Victorian era, so often ridiculed, was a Bible-reading age. He suggested the reading by everyone of the 139th Psalm.

The Pilgrim Fellowship will not resume its Sunday evening meetings until September.

Miltons Go to Tahoe

Mr. and Mrs. Pierce Milton of La Espiral left last weekend for a vacation trek to the Maxwell Milton lakeshore home at Tahoe.

Sew for Bazaar

Section 3 of the Orinda Guild spent a pleasant as well as a busy evening Tuesday at the new home of the Sydney Deans, 12 Honey Hill Road, sewing for the Community Church's Fall Bazaar.

Nevada City Trip

Mrs. Ida Zamloch and her daughter, Mrs. Betty Williamson, spent a weekend in Nevada City so as to be able to visit Margaret and Patricia, who are counselors at the Camp Fire Girls' Camp Celio.

This is the eighth year for the girls at Celio, and they are enjoying their new responsibilities.

Mrs. Wm. Seroy's Cousin Succumbs

Funeral services for Frank Alonzo Wilcox, cousin of Mrs. William Seroy, were held Monday night at the new Santos and Robinson Estudillo Chapel in San Leandro, following his death in that city last Friday.

Remains were then taken to Red Bluff, Wilcox's birthplace, for final services held there yesterday afternoon at the W. C. Fickert Mortuary.

Wilcox is survived by his widow, Helen Wilcox; his uncle, Grant Butler Wilcox of Red Bluff, three other cousins besides Mrs. Seroy—Mrs. E. C. Winnie of Oakland, Mrs. Agnes Meissner of Modesto and Mrs. Leona Stuart of Eureka—and a brother-in-law, A. J. Valance of San Leandro.

He was 59 years of age.

Interment was at Red Bluff Cemetery.

Irene Fisher Dies; With Husband, Was Founder of Community Church

Many Orinda friends were greatly saddened by the news of the death of Irene Fisher, wife of Miles Fisher, D.D., on July 21 at Claremont, at the age of 80.

The Fishers organized Orinda's Community Church in May, 1939. For five years he was the pastor here, and she was an active Guild member.

Upon leaving the Orinda pastorate, the Fishers sold their Berkeley home and moved to Pilgrim Place on Mayflower Road in Claremont.

A recreation of Mrs. Fisher the past few years was painting—and friends and relatives have been surprised at the excellence of her landscapes.

Mrs. Fisher was born in Lowell, Mich., and was a graduate of Oberlin College. She married Miles Fisher in 1901; next month they would have celebrated their golden anniversary.

For 28 years they lived in Berkeley, and for eight years Dr. Fisher was associated with the First Congregational Church.

During this time Mrs. Fisher was actively interested in work with young college women and held open house often for them.

She is survived by her daughter, May Ellen Partridge of Oakland, and by a son, Miles Bruce, a professor of psychology at Fresno State College.

The funeral services were attended only by the family, but a meorial service was held last Friday at Pilgrim Place Rest Home and was attended by many friends.

About Our Happy Country Folk

BY EDITH BOLMAN

HERE WE HAVE BEEN telling you all this time about our lucky Happy Country Folk who have been going on trips—well, one local matron decided she should fete the waifs and strays (or should we say wifes and non-strayers) who were staying home at the moment.

Mrs. Paul Demeter of Orchard Road gathered together some of the good little housewives who have been tending the home hearth, and fed them and entertained them one afternoon last week, and those there thrived thoroughly.

Of course, that doesn't mean that everybody is staying home. Sally and Anne Fleager separated themselves from their wonderful new swimming pool long enough to take a three weeks' trip to Banff and Lake Louise with their grandparents, Mr. and Mrs. Clarence Fleager. Couldn't stay away too long though—we notice (as we look up from our golf shots, which we have been told by our golf pro we shouldn't do) that they and their friends have once more moved into the pool to stay, we presume, for the remainder of the summer weather.

Mr. and Mrs. Don Lawrie have moved into their attractive new home on El Sueno overlooking the golf course. We hope they are able to sweep out the hot dogs, candy wrappers and like impedimenta left there by golfers who like to combine a sightseeing tour with their eighth tee snack.

THE EUGENE SHURTLEFFS and children Christie, Bob, and Kathy took Mrs. Shurtleff's mother, Mrs. Robert Kerner, and neighbor Nancy Macomber to Echo Lake for a three weeks' stay recently.

While there they were visited by Mrs. Shurtleff's sister and brother-in-law, Mr. and Mrs. Walt Bowker, who have recently moved to Orinda from Berkeley. Other visitors were Mr. and Mrs. Robert Spott from Orinda.

Mrs. Rutherford Tolman of Pasadena has just returned to her home after visiting for the past month with her mother, Mrs. E. D. Rutherford.

First Lieutenant Kenneth Renwick has just returned from two weeks at Camp Cooke, where he was adjutant for the 916th Field Artillery Battalion. He was so proud of their activities and good record that he brought home colored movies to show to all his friends.

Master Joseph Paul Murphy, Jr. (Joey to the other four-year-old cowboys in the neighborhood) celebrated his birthday with the assistance of a Mr. Cassidy by way of television and cake decorations (or have you ever heard of a Hopalong cake?).

Participants were Wardy York, Patsy Smith, Leslie Reid, Joanne Boysen, Susanne White, Kathy White, Kit Renwick and Carol Prentice.

ANOTHER ITEM OF interest in Master Murphy's home life happened to be the activities of one Oscar and one Misty who are bringing fame and — (oh, oh, we forgot to ask about that) to the name of Murphy.

Oscar, a Standard poodle, has won some points toward his championship at several shows and will participate soon in the San Mateo show (complete with English saddle clip and hair barrette).

Terry Loveland celebrated her sixth birthday in surroundings of shocking pink and aqua. Paper streamers and table cloth carried out the colors, and the center of the table was resplendent with paper figures representing ballet dancers.

Too bad such decorative talent is leaving us—yes, the M. W. Lovelands have been transferred to New York City, and naturally hate to leave their "place in the sun" on Camino Del Diablo.

NEWS ON THE GOOD side. Dr. and Mrs. Roland Brown are moving INTO their new home in Happy Valley.

Masters Sorricks and Lamb are home from their summer maneuvers at Proberts School in Walnut Creek. Gratefully received, no doubt, by doting parents who couldn't accustom themselves to the unfamiliar quiet created by their absence.

Those of you who happened to pass by the Crossroads last Sunday evening may have seen an Army bus waiting to pick up 17 service boys from Camp Stoneman Hospital at Pittsburg who had spent the day being entertained by and galavanting around with several local residents who vied for the privilege of having them.

Each hostess had an item of interest to report. For instance, Mrs. Charles Nelson herded her charge through an afternoon of swimming, barbecuing and neighborliness and was much impressed with the stories he told of being in a guerilla band in the Phillippines—then 14 months in a Japanese camp—escape—and back to the guerilla band.

Now he is a medical corpsman about to return to Korea, and he told Mrs. Nelson that he had just been given a glimpse of hospitality and a way of life which was worth fighting to defend.

Mrs. H. C. Booth's "boys" were both convalescents and spent the afternoon eating, relaxing, listening to the ball game on the radio and entertaining the Booths with their piano artistry.

Mr. and Mrs. Ralph Phelps were fascinated listening to the stories of one of their three guests who had been stationed in Japan and told of the life there.

Mr. and Mrs. Robert Elder amused their two "boys" with ping pong and, of course ,food. One boy, almost ready for his furlough home in the east, was particularly grateful to be in a real home again.

FOOD AGAIN. The W. G. Courtwrights's guests — one served in Japan and one in Alaska—followed Mrs. C. into the kitchen to help supervise the cooking, and, to quote Mrs. C., "Boy, did they go for that chicken!"

The Robert Lymans also served their "boys" fried chicken at the Park Pool, and they thought it was wonderful.

Mr. and Mrs. George Matey even took some of their guests to see the sights in San Francisco because they were newcomers to the area.

The George Klements and their guests were having such a gay old time at the Country Club that they missed the bus, which meant a ride to Pittsburg for all of them.

Colonel and Mrs. Richard Hafner took their guests on a ride around Contra Costa County, so they could breathe in our good country air.

So there you have a cross-section of what Orinda was up to last Sunday to make life a little more joyful for the convalescent boys from the hospital.

More boys will be coming every few weeks, and Mrs. Theodore Bradley, Orinda 8070, will be glad to hear from any of you who would like to play a part in this program.

All for this week.

Register Now For Your Vote

Any Orindans who have not yet registered for voting may do so during the summer by calling for an appointment with one of the following registrars: Mrs. Ernest Drews, 166 Canon Drive; Mr. or Mrs. William Fleager, 10 El Sueno; Ernest Rahmeyer, 49 La Cresta Road; Mr. or Mrs. Warren Harrold (office), 109 Orinda Highway, or home, 35 Ardilla Road.

Due to the Saturday closing of the American Trust Company, there will be no registration at the bank.

World War II Hero Kelly of Lafayette Commanding Marine Battalion in Korea

Liuetenant Colonel Bernard T. Kelly of Lafayette has taken over as commander of the Third Battalion, Seventh Marine Regiment, in Korea.

Details of the World War II hero's background are given in an article sent to the SUN by the Division of Public Information at the U. S. Marine Corps headquarters in Washington, D. C. In the article ,written by Sergeant James H. Crooks, Jr., Marine Corps combat correspondent with the First Marine Division in Korea, the following information is contained:

Kelly served with the First Marine Division during World War II, taking part in two major engagements and the occupation of North China.

Born July 9, 1918, in Chicago, the 33-year-old Leatherneck is the son of Mr. and Mrs. Bernard Kelly of 824 Nardo Road, Encinitas, Calif.

Graduating from Amundsen High School, Chicago, he enrolled at Northwestern University, Evanston, Ill. He entered the Naval Reserve Officers Training Corps and upon graduating from the university in 1940, received a commission as second lieutenant in the United States Marine Corps.

HE ATTENDED Basic Officers' School, then was located at Philadelphia, under command of Colonel Clifton B. Cates, now General Cates, commandant of the Marine Corps.

Following basic training, Kelly was assigned to Chicago for recruiting duty, then to sea duty aboard the cruiser Helena.

WHEN THE JAPANESE struck Pearl Harbor, December 7, 1941, Lieutenant Kelly was there—aboard the Helena. Although the cruiser caught a torpedo and was damaged, Lieutenant Kelly escaped injury .

During 1942 he was promoted to first lieutenant, and shortly after became captain and took command of the Marine detachment aboard the Helena. About mid-year he was advanced to the rank of major.

He served aboard the Helena in 13 major engagements before the cruiser was sunk in the Kula Gulf, near New Georgia.

AFTER FLOATING in the Pacific for three days, Major Kelly and other survivors reached the Japheld island of Vella La Vella. For eight days they dodged enemy forces and lived a "Robinson Crusoe" existence before a naval task force rescued them.

Returned to the United States, Major Kelly went on furlough, during which he married Eleanor Peet, daughter of Mr. and Mrs. Harry E. Peet of Los Arabis Drive, Lafayette .

Mrs. Kelly and their two children—James, 2, and Diane Alison, 1—are now residing with her parents.

In 1943, Major Kelly was assigned duty at Camp Elliott, Calif., in fantry training center. After a few months there, he attended the Command and Staff School at Quantico, Va., then joined the First Marine Division near the end of the Cape Gloucester campaign.

DURING THE ACTION on Peleliu, Major Kelly served as operations officer of the First Marine Regiment, then commanded by Colonel Lewis B. ("Chesty") Puller, now a brigadier general.

Following the engagement, Major Kelly was transferred to the Second Battalion, First Marines, where he was executive officer during the operations at Okinawa and the occupation of North China.

Major Kelly left the division and China in February, 1946, and returned to the United States, where he took command of the Naval disciplinary barracks, Camp Shoemaker, Calif., and was later commanding officer of the Marine Barracks, Naval Ordnance Test Station, Inyokern, Calif.

IN NOVEMBER, 1948, he went to New Orleans, where he was inspector-instructor of the 10th Infantry Battalion, Marine Corps Reserve, until the unit was called to active duty in August, 1950. While at New Orleans he was promoted to his present rank.

From New Orleans, Lieutenant Colonel Kelly traveled to Camp Pendleton, Calif., where he assumed command of the Third Infantry Training aBttalion.

Lieutenant Colonel Kelly arrived in the combat zone in May of this year and assumed command of the Third Battalion, Seventh Marines.

New Fire-Training Program Launched

First county wide fire-training program in the United States has been launched, Chief William B. Klaus of the Associated Oil Company announces.

Chief Klaus, chairman of the Advisory Committee for the fire-training program offered by the Contra Costa Junior College District, pointed out that the committee hopes to set a pattern for national programs.

"Ted" Becker, newly-appointed teacher co-ordinator of fire-training for the junior college district, will coordinate the program. Until recently he was a member of the Santa Monica Fire Department, and he is well-known throughout the fire service of California.

Becker will carry on teacher-training activities with key personnel, who, in turn, will conduct upgrading training of the employees in their departments.

Planning for this fire-training program has been in process throughout the past year, with the Fire Training Advisory Committee taking the initiative in determining the local need for training and in helping to set up the type of training needed in the county.

Membership of the Advisory Committee includes Chief Klaus, Chief Henry J. Schmidt, Richmond; Chief Guy Spencer, Walnut Creek; Chief Manuel Mello, San Pablo; Chief Lloyd Cooper, Rodeo; Chief Lloyd Edwards, Crockett; Chief Allen W. Vargus, Mt. Diablo, and Charles Sweeney, formerly chief at Antioch.

"The National Board of Fire Underwriters and regional fire rating bureaus recognize training as being so essential to the fire defenses of the nation that they give credit for training in establishing insurance rates," said Chairman Klaus.

"Therefore, we feel that this training program is a good public service for the county."

TOLL BY ACCIDENTS

Accidents kill more persons aged 1 to 35 than any disease. In fact, among children 1 to 14 years of age accidents kill more than the first six most important non-accidental causes combined.

'Twas in San Pablo Reservoir— Story About 'Angler' Who Wasn't

Just because a guy's in a rowboat with a pole sticking out from the boat, it doesn't necessarily follow that he's fishing!

Certainly not in the San Pablo reservoir, anyway!

When J. P. Gustafson, manager of the new East Bay Municipal Utility District business office for this area in Lafayette, was manager of the E. B. M. U. D. Richmond office, he received a phone call from an irate would-be Izaak Walton.

"Is fishing allowed now in the San Pablo reservoir?" the man at the other end of the phone asked.

"No, of course not," replied Gustafson.

"Don't give me that stuff," the questioner irritably said. "There's a fellow there in a rowboat, fishing. I can see him plainly through my telescope. No mistake about it — there's a fishing pole at the end of the boat."

Patiently, Gustafson tried to explain that the man was an E. B. M. U. D. employee and that the pole held a sack of "bluestone" (copper sulphate) which reduced algae growth in the water.

His listener remained skeptical. "You can't fool me — it's a fishing pole," he responded.

But it wasn't. And if you see the same sort of thing, with or without benefit of a telescope, just remember that the man is not a happy-go-lucky angler but an on-the-job "bluestoner."

Prepare List of County Agencies

Preparation of a directory which will list Contra Costa County welfare, educational and other agencies is under way, Chairman Harlan H. Lewis announced today.

Lewis, a member of the county superintendent of schools staff, said completed questionnaires are now being collected by a committee in a final step toward compiling a list for the use of persons employed in such agencies and to assist the general public.

The directory will list the names, addresses and services of voluntary and public agencies offering health, welfare, education or recreation services to the residents of Contra Costa County.

Copies of the directory will be made available at a small cost necessary to cover the expense of printing.

'Noah,' Comedy with Music, at Woodminster

"Noah," a comedy drama with music, written by Andre Obey, will be presented by the Mills Theater Guild at Woodminster Amphitheater in Joaquin Miller Park this Saturday and Sunday, 8:30 p.m.

"Noah" was produced for the first time at the Longacre Theater in New York and is a fantasy dramatizing the story of Noah's famous ordeal in the manner of a fairy tale. It is a three-act play.

Christian Science Sermon on 'Love'

A Lesson-Sermon on the subject "Love" will be read in all Churches of Christ, Scientist, this Sunday, August 5, in which Biblical citations will include the following verses from Galatians:

"Brethren, ye have been called unto liberty; only use not liberty for an occasioin to the flesh, but by love serve one another. For all the law is fulfilled in one word, even in this; Thou shalt love thy neighbour as thyself" (5:13, 14).

Each section of the sermon will contain correlative passages from the Christian Science textbook "Science and Health with Key to the Scriptures, by Mary Baker Eddy, from which the following have been chosen:

"When we realize that there is one Mind, the divine law of loving our neighbor as ourselves is unfolded; whereas a belief in many ruling minds hinders man's normal drift towards the one Mind, one God, and leads human thought into opposite channels where selfishness reigns . . . Universal Love is the divine way in Christian Science" (p. p. 205, 266).

NAHB Leaders To Talk to County Contractor Group

Prominent officials of the National Association of Home Builders from Washington, D. C., are to tour Northern California August 14 to 20, according to Stetson Shuey, Sacramento chairman of the Home Builders Council of California.

Frank W. Cortright, executive vice president, Carl G. Lans, director of the NAHB Technical Research Department, and Mildred Clark, membership director, are scheduled to address the membership of organizations affiliated with the Home Builders Council, Shuey said.

Cortright and Lans are to inspect various home developments constructed by the membership of the council while in the area, according to Shuey.

The NAHB officials will address a dinner meeting of the General Contractors Association of Contra Costa County on August 15.

Diamond K Sez . . .

Bill Magrath

This week Diamond K has another Xtra - Special bargain for you mid-summer shoppers

We are featuring the Neptune 16 inch, hand lawn mower. We were fortunate enough to make a very good buy on them and are passing the savings on to you.

THESE MOWERS have a five bladed reel, wooden handles, rubber tires and have ball bearings throughout They regularly sell for $21.95 This week-end only, they are sale-priced at $17.95. Once again it is a case of no delivery on sale items.

When you come in to pick up one of these mowers, why not take a little extra precaution against the inevitable summer ant infestation.

IN OTHER WORDS, pick up a bottle of "Ortho Klor 44" or a box of "Ant Klor" pellets. These are new products which have proven highly effective against ants and earwigs.

See you next week —

starting **TODAY--Open 'Sunday '9:00 to 9:00**

There is no price freeze at *PACIFIC*, but a *GENUINE*...

rollback to 1950 low prices

9 AM to 9 PM

Pay way below OPS ceiling prices, below Fair-Trade prices on almost every item in the store, SAVE UP TO 60%! We ordered the merchandise last year (1950) and we're passing the savings on to you...Pay 1950's lowest prices as long as our supply lasts! But hurry...come early...many items are one-of-a-kind, and sure to sell fast...Remember too, these prices can't be duplicated—can't be repeated! Don't take our word for it...see for yourself...shop and compare. *Only Pacific offers these values!*

COMPARE THESE PRICES, THEN DASH TO PACIFIC, SAVE FROM 20% to 60%!

Universal **COFFEE-MATIC** Fair Trade Price 29.95 NOW **22.95**

General Electric **TOASTER** Fair Trade Price 22.95 NOW **16.95**

PAY AS LITTLE AS 1.25 WEEKLY!
YOU DON'T NEED CASH! That's right—don't pass up these fabulous values 'cause you can buy now, save now and pay later. There's no red tape at Pacific. In just a jiffy you can open an account and save money!

Nobody but **PACIFIC** *dares to offer these prices!*

EXTRA SALES HELP TO SERVE YOU!
COME EARLY and don't worry about the crowds. We've loads of extra salesmen to serve you and four extra delivery vans to insure prompt delivery. So dash in at the crack of 9 and save money!

Confidentially Speaking:

Nobody but nobody but Pacific dares offer these values. Only because we bought it for less, can we sell it for less. We're passing on our savings to you. We're letting you in on 1950 prices as long as our supply lasts! We're selling out the most terrific furniture inventory in the history of Martinez. But it's sure to be an early sell-out, so come early!
